500 pieces puzzle for children and adults.

Majestic animals glide through the water in the mysterious depths of the ocean. Can you put all of the 500 pieces together? This jigsaw puzzle lets you dive into a magical underwater world while improving your concentration and fine motor skills. A watery world of jigsaw fun for the whole family!

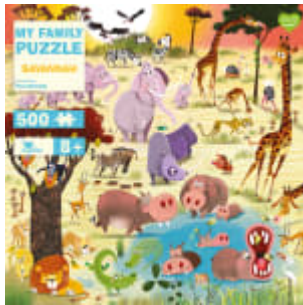

Creative People:

Illustrator: Jenny Palmer grew up in a city close to Nottingham and studied illustration and design at the University of Lincoln. She met her American spouse online through their shared love for video games. Today, they live together in Nottingham. She loves to bring bizarre scenes in her illustrations to life by using textured painting techniques and strong light effects, and to create detailed natural environments for cute animal characters to roam them.
