500 pieces puzzle for children and adults.

Dive into the colorful sea of flowers and discover all the animals that live here among the flowers and grasses. When all 500 puzzle pieces are assembled, a magical flower meadow opens up for the viewer - a colorful habitat for many native animals. In a playful way, the puzzle trains concentration and fine motor skills and is just perfect for some family quality time together.

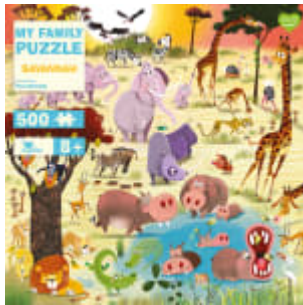

Creative People:

Illustrator: Kaja Kajfež was born in a small charming town in Croatia. As a child, she often painted with her mother, kindling her love for illustration early on. Later, due to her interest in computer technology, she got a degree in Multimedia, Design and Application with a focus on visual communication. During her studies, she already began working as a freelance illustrator, which enabled her to establish her own illustration studio.
