A 500 piece jigsaw for children and adults.

Discover the beautiful beach of San Cristóbal, where giant tortoises, iguanas and sea lions cavort. When all 500 pieces of the puzzle are put together, the Galapagos Island with its variety of animals opens up to the viewer. The puzzle trains concentration and fine motor skills and offers colorful puzzle fun for children from 8 years and the whole family.

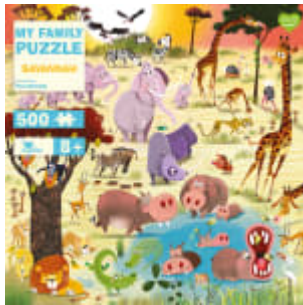

Creative People:

Illustrator: Jenny Palmer grew up in a city close to Nottingham and studied illustration and design at the University of Lincoln. She met her American spouse online through their shared love for video games. Today, they live together in Nottingham. She loves to bring bizarre scenes in her illustrations to life by using textured painting techniques and strong light effects, and to create detailed natural environments for cute animal characters to roam them.
