Sustainable toy street fun for your child's room!

Welcome to the *MyRoads supermarket* ! The expansion set for the *MyRoads* play city focuses on an important place in our everyday lives: the supermarket. In addition to a supermarket building and a restaurant with drive-in, the 38-piece set also includes parking spaces, an exit and entrance as well as many loving details for a realistic play experience.

The individual road and building parts in durable Werkhaus-quality offer countless combination possibilities with other toys as well as other starter, additional and expansion sets from *MyRoads*. The different sets offer children a limitless variety of ever new road variants and play worlds.

The road parts were sustainably produced in Germany and are made of wood material from responsible sources. Note: Natural products made of wood may show signs of wear and minor colour deviations.
